

Dear Valued Customers,

During these uncertain times life can become a little frightening. Beginning This Wednesday March 18<sup>th</sup>, We will be **Open for Take Out from 11:30am-7:30pm.**

We will offer a full Take out Menu as well as Family Style Meals.

Primavera will start offering **Mamma Maria Care Packages.**

Mamma Maria was always the first one to help others when they were in need or in desperate times. "In order to have courage you have to experience fear" she would say, "its ok, just help others". We want to honor her by providing meals to families in our community that are struggling. Whether you are picking up a care package for your own family or someone else's, this takes courage.

### **What is a Care Package?**

Mamma Marias Care Packages will be Take & Go Meals feeding up to 6 people. These meals will be ready to grab at our front take out area. Anyone can come in and grab one, two, five or ten and bring them to a family in need, an elderly person or to someone who may not be able to afford it. In any case, we will not ask you who it is for or where it is going. If it is for yourself, you are doing a good thing for your family and all we want is to help.

### **Are They Free?**

There is not cost.

### **How Can You Help?**

You can order takeout to support this program and keep our employees busy and helping others. You can **PAY IT FORWARD** by purchasing one anonymous care package. You can purchase as many as you want. We will make as many meals and we can.

### **How does it work?**

Some people will pick up care packages and deliver them to people in need, some people will order take out and support this program, some people will purchase care packages to keep it going and some people will come pick up meals for their own family. With all of these contributions, we will keep providing meals all day, every day, as long as we can. This is how we help our community help each other.

## How does it help Primavera?

We can keep our staff working and feeling great about themselves while we all do something good. Whether there are 10 or 100 purchased we will do our part to provide them for as long as we can through your efforts. The idea is that with every care package purchased, we can prepare complimentary meals to people in need and keep our staff busy and employed while we do this which also helps our employees and their own families. This is a win/win for everyone. **YOU** can help us help anyone we can.

## Can I still order My Own Meal?

Yes, we will be open 11:30am-7:30pm for take out. We will be offering our full take out and family style meals. We want you to still order takeout, and if you cannot afford to buy a care package, we encourage you to take one with you and bring it to someone who would appreciate it.

## How Can I Help?

1. Order Take out
2. Fund a Care Package \$30 or more
3. Pick up & Deliver a Care Package (for your family or someone else in need)
4. Spread the word and help us get more meals to people in need
5. Direct us to people in need so we can bring them meals anonymously

## How can I purchase a care package?

When you call and order takeout, tell us that you want to add a care package. We will add the \$30 to your bill and you can pay for it when you pick up your takeout.

## Can I do it Online?

Yes. Just visit our website at [www.primav.com](http://www.primav.com) and go to "online payment". Enter the amount you wish to contribute in the Gift Card section. Enter "Care Package" in the comment box after you enter your information. We will use your contribution to make more meals 😊

Thank you,  
**The Primavera Family**
